Foreword

In compiling this volume of Lagniappe we have tried to record not only the events of the past year, but also to catch something of the spirit of Tech---that intangible something which is felt but unseen.

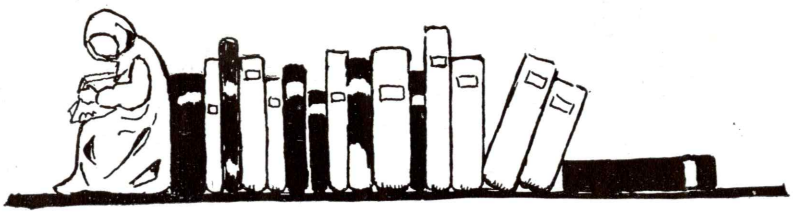

Dedication

To our new president,
Mr. John R. Conniff,
who has won a secure place in the affections of the entire student body by his efforts in behalf of our beloved Tech, we dedicate this the thirteenth volume of Lagniappe.

CLASSES

BOOK II

BOOK TWO OF LAGNIAPPE PRESENTS THE CLASSES —grave seniors, about to go out into the world where, by their achievements, they will attempt to herald the name of Louisiana Tech to the honor of the college; juniors, just entering the estate of seniorhood and charged with duties more serious than those which they have undertaken in the past, duties which they will assume with credit to their classes; sophomores, now far enough away from their freshman days to have a full realization of the seriousness of their purpose in attending college; and freshmen, less verdant than when they entered Tech for the first time, but filled with their importance as members of the sophomore class.

LAGNIAPPE takes special pride in this section of the 1927 annual, for it feels that here is pictured a student body of which Tech can be justly proud. The school's record during the past year scholastically, athletically, and in all forms of activity is one in which students, faculty, and administration can take a justifiable pride. The graduating class looks forward confidently to the manner in which the remainder of the student body, cooperating with the faculty and administration, will carry on in the very best traditions of Louisiana Tech.

SENIOR

1927

MARGARET BARKSDALE - - Ruston

B. S. in Education

"Do not measure my wisdom by my statue."

MRS. G. C. BLACK - - - Bernice

B. S. in Education

"She is an assemblage of many virtues."

QUEEN BASKERVILLE - - Ruston

B. A. in Music

W. S. A., Torches.

Be resigned to your fate, one so wise, so young, they say can never live long-single.

VASHTI BLUME - - - - Arcadia

B. S. in Home Economics

Y. W. C. A. Cabinet '26-'27.

Friendly may we part, and quickly meet again.

J. D. CARUTHERS - - - - Lisbon

B. A. in Commerce

Theta Kappa Nu.

Baseball '24-'25, Football '24-'25.

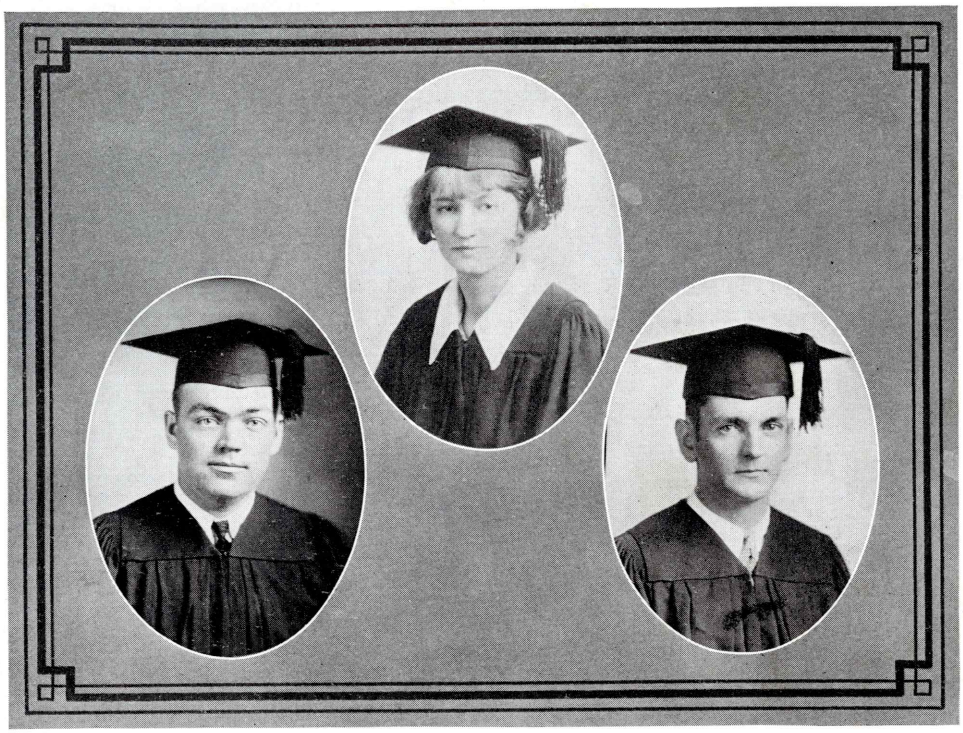

A friend whose zeal outruns his promise.

EULA BRIAN - - - - Winnfield

B. A. in Art

Art Club, Glee Club '24, W. S. A., Spanish Club.

If music be thy bread of life, play on.

RHODE B. CAUSEY - - - Ruston

B. A. in Commerce

Everything comes to him that waits; therefore why should I hurry?

ODIS COON - - - - - - - Monroe

B. S. in Arts and Sciences

Alpha Lambda Tau.

Thought is man's highest ability.

LOIS CHEATWOOD - - - Ruston

B. S. in Home Economics

The Tech Talk Staff '26, L. S. C. Club.

I have promised and I'll be as good as my word.

SULA COWSER - - - - Arcadia

B. S. in Education

W. A. A. '24-'25-'26, Head of Basketball '25-'26, Y. W. C. A., Girls' Glee Club '25-'26, L. S. C. Club.

For earnest of a greater honor.

BERTHA EAVES - - - Simsboro

B. S. in Home Economics

W. S. A.

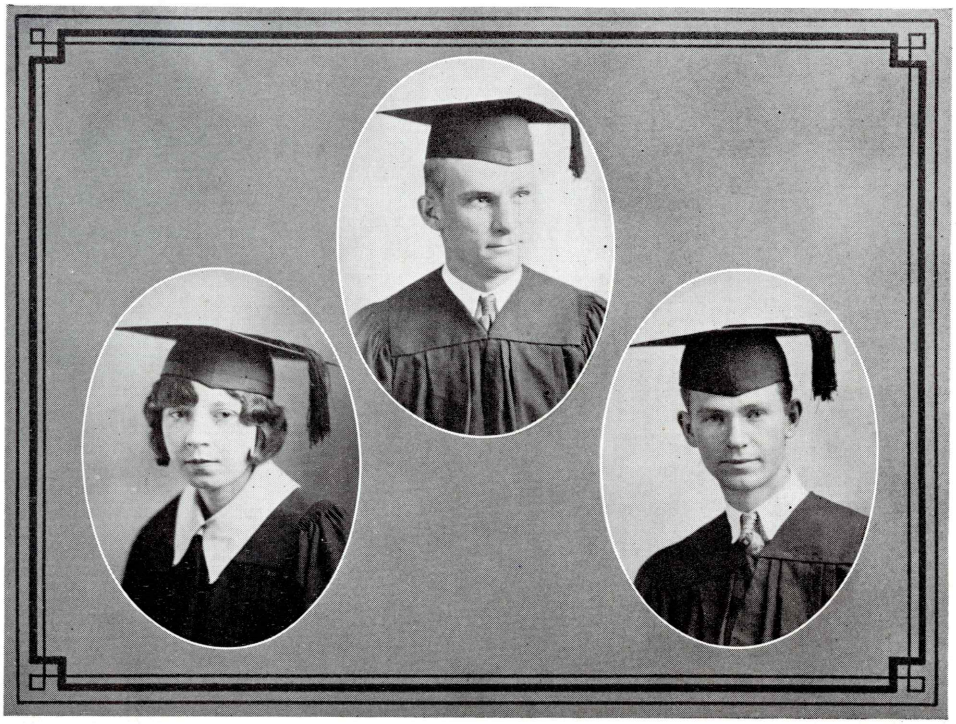

"May her future be as her past, always smiling."

Girls' Glee Club '26.

What a woman wills usually will.

GEORGIA HARRIS - - - Ruston

B. A. in Education

My whole life I have lived in pleasant thought.

BURKEY T. HAYS - - - Bienville

B. A. in Commerce

Theta Kappa Nu.

Condition, circumstance, is not the thing, bliss is the same in subject or in king.

GEORGE B. HOGG - - - Dubach

B. A. in Education

Football '23-'24-'25-'26, Basketball '25, Track '24, Y. M. C. A. '25-'26, Football Captain '25-'26.

"It is the part of men to fear and tremble, but some like stones stand unshaken."

HAZEL HEARN - - - - - Ruston

B. S. in Home Economics

There is something of woman in everything that pleases.

LEE HOLLOWELL - - Crand Cane

B. S. in Home Economics

Volley Ball '24-'25, Hockey '26, Basketball '26.

There is a chord in every heart that has a sigh in it if touched aright.

THELMA HOOD - - - - Ruston

B. S. in Home Economics

Girls' Glee Club '24-'25-'26, W. S. A.

Thou who hast the fatal gift of beauty.

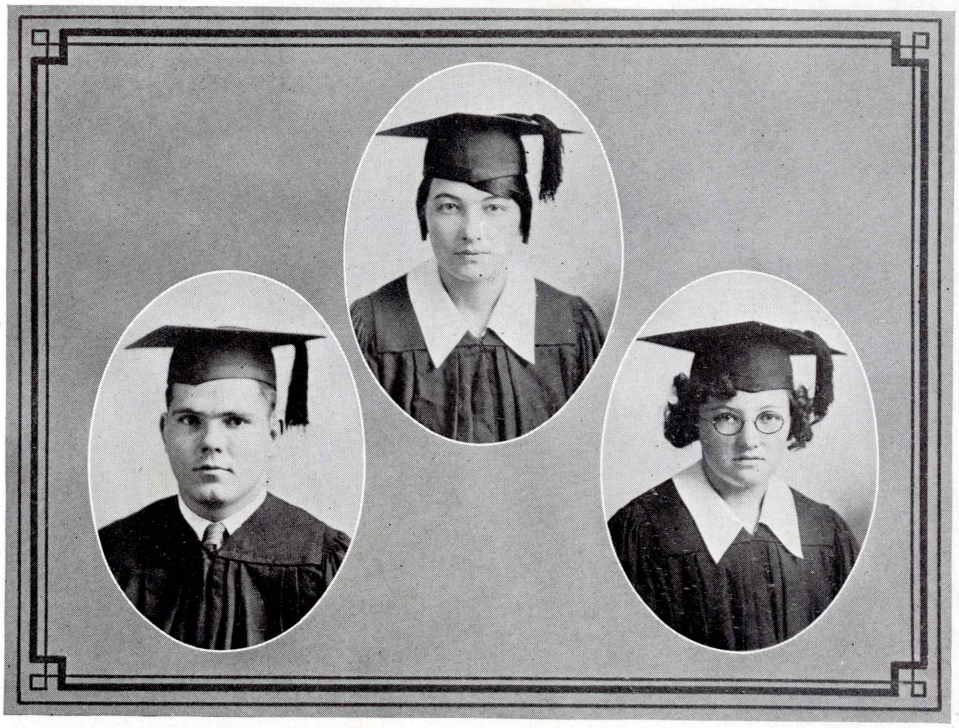

ROBIN HOOD - - - - - Bastrop

B. S. in Engineering

Alpha Lambda Tau.

Y. M. C. A., Lagniappe Staff '27.

A prince indeed beyond all titles.

HENRY C. HOOTER - - Enterprise

B. S. in Engineering

Alpha Lambda Tau.

President Y. M. C. A. '26, Football '24-'25-'26, Basketball '25-'26, Debating Club '26.

His love sincere, his thoughts immaculate.

NANA E. JAMES - - - - Oakland

B. S. in Home Economics

Y. W. C. A. '24-'25-'26, Tech Talk Staff '26-'27, W. S. A.

Education is a possession that none can take away.

ELVA JAMES - - - - - Oakland

B. S. in Home Economics

Volley Ball '24-'25, Basketball '25-'26, Y. W. C. A. '24-'25, Girls' Glee Club '25, W. A. A. '24-'25-'26-'27, Tech Talk Staff '27, W. S. A.

As good luck would have it.

LOUISE JARMON - - - - Marion

B. S. in Home Economics

President W. S. A. '26.

A winning way, a pleasant smile.

LOIS KELLY - - - Plain Dealing

B. S. in Home Economics

Basketball '24-'25, Track '24-'25, Secretary Y. W. C. A. '26, Hockey '26, W. A. A., Lagniappe Staff '27, Torches.

"Exceedingly wise, fair spoken, and persuading."

NETTIE MABLE JONES - - Ruston

B. A. in Arts and Sciences

Treasurer Social Science Club.

The best sort of sport, the best sort of friend.

MARGARET KNOTT - - - Ruston

B. S. in Arts and Sciences

W. S. A., Lagniappe Staff '27, Social Science Club.

A weary heart covers many gaps to make friends.

MARION JEAN LAURENCE - Ruston

B. A. in Education

Torches.

"Away dull care, I prithee begone."

ELSIE EARL LEFEVRE - Shreveport

B. S. in Home Economics

Orchestra '26-'27.

Strongest minds are those of which the world hears least.

W. M. LAWRENCE - Mooringsport

B. S. in Engineering

Theta Kappa Nu.

President Y. M. C. A. '23, Baseball '21-'22, Football '21-'22-'24-'26.

The brave man seeks not popular applause.

EUGENIA McCORD - - - Ruston

B. S. in Home Economics

She was a scholar, and a ripe and good one.

MILDRED McBRIDE - - - Ansley

B. S. in Home Economics

'Tis deeds must win the prize.

EMMA MARTIN - - - - - Grove

B. S. in Home Economics

W. S. A. '26-'27.

'Tis the mind that makes the body rich.

WINNIE MARTIN - - - - Grove

B. S. in Home Economics

W. S. A. '26-'27.

Modesty places in the feeble hand of a woman a scepter that commands power.

JENNIE L. MARTIN - - - Ruston

B. A. in Music

Orchestra, Latin Club, Torches.

The face of her own merit makes her way.

LOUISE MEEKS - - - - - Ruston

B. S. in Home Economics

W. S. A., Home Economics Club.

A fair exterior is a silent recommendation.

OPAL MILTON - - - - - Monroe

B. A. in Education

Tech Club '26-'27, Debating Club, Y. W. C. A., House Association, Treasurer W. A. A. '26-'27, W. S. A.

A fool may talk but a wise woman speaks.

LUCY ATLEE MIDYETT - Stonewall

B. S. in Home Economics

True to her work, her words, her friends.

REBECCA NORRIS - - Choudrant

B. S. in Home Economics

Girls' Glee Club '25-'26, Home Economics Club, L. S. C. Club.

A sage and noble maiden she.

DESSIE DEE PONDER - - Ruston

B. S. in Home Economics

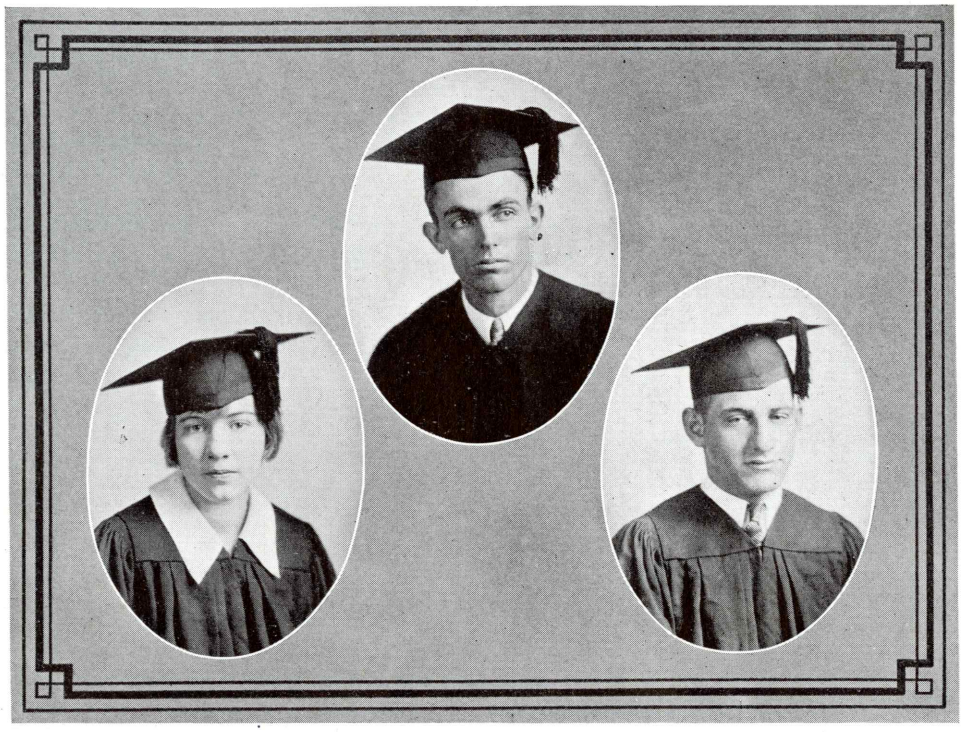

W. S. A., Home Economics Club.

It is not strength but art obtains the prize.

OLIVIA PEDEN - - - - - Ruston

B. A. in Education

W. S. A., Torches.
A friendly heart, with many friends.

MARY SUE PYBURN - - - Ruston

B. A. in Arts and Sciences

Y. W. C. A. '24, Sec't. Social-Science Club, Lagniappe Staff '27, Torches.

When love and skill work together expect a masterpiece.

BILLY SMITH - - - - - Ruston

B. S. in Engineering

Alpha Lambda Tau.

Baseball '25, Lagniappe Staff '27.

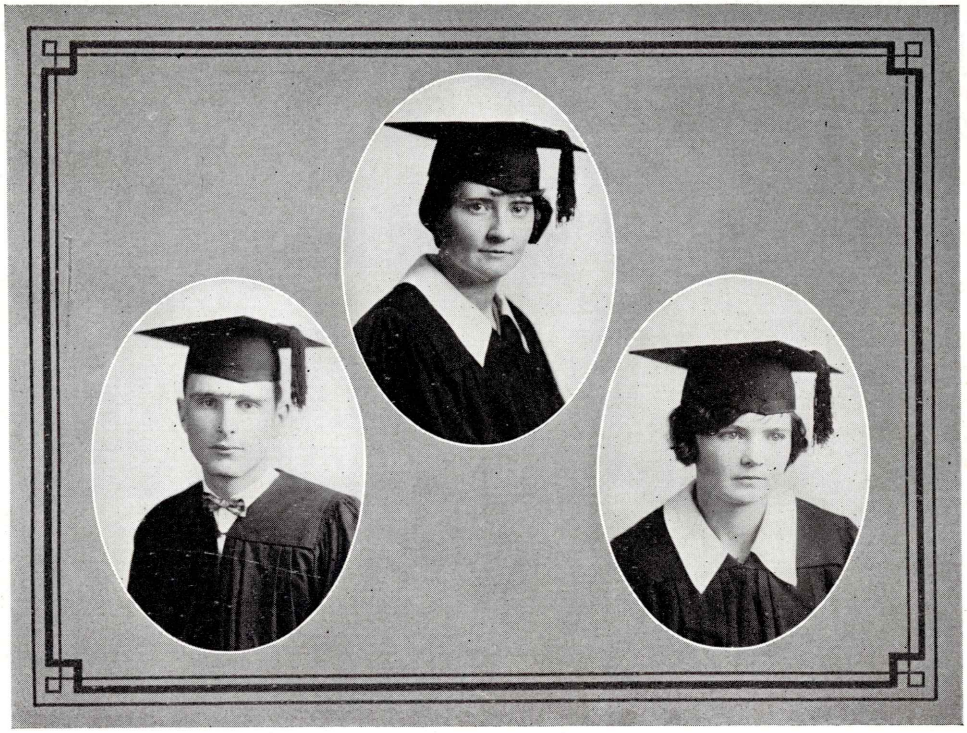

Thou wilt not utter what thou dost not know.

WILSON RINEHART - - Choudrant

B. S. in Engineering

Y. M. C. A.

I profess not talking; only this, let each man do his best.

FRELLSEN SMITH - - - Ruston

B. A. in Music

Y. M. C. A. '24.

Modesty is a becoming ornament to a young man.

CHLOTEEL SUTTON - - - Ruston

B. S. in Home Economics

It is the cause, and not the death, that makes the martyr.

TINYE SPENCER - - - - Grove

B. S. in Home Economics

Y. W. C. A. '24-'25-'26, W. A. A. '26-'27, House Association '26-'27, L. S. C. Club.

"The only way to have a true friend is to be one yourself."

DORIS TALBOT - - - - Jonesboro

B. S. in Home Economics

Y. W. C. A. '23-'24-'25, W. A. A. '23-'24-'25-'26, Volley Ball '25.

Doubt who you will, but never yourself.

EFFIE WALSWORTH - - Jonesboro

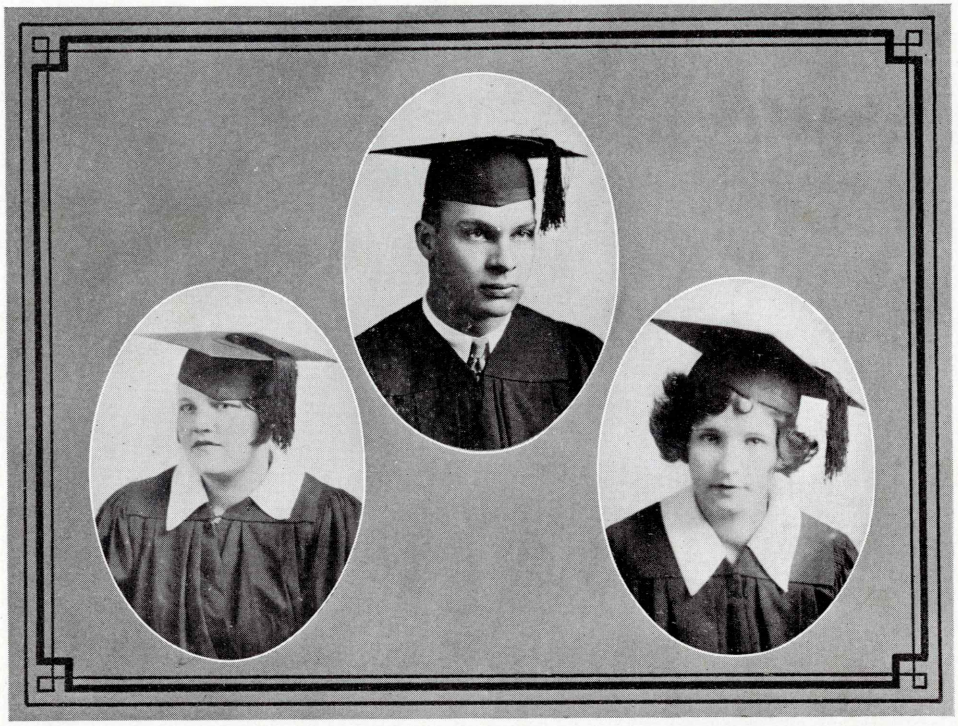

B. S. in Home Economics

A friend even to the altar.

RUTH TAUNTON - - - - Marion

B. S. in Home Economics

Roll on old world, and I'll roll with you.

GRETCHEN ALMA WEYDERT - - - - - - - - - - St. Francisville

B. A. in Music

Y. W. C. A. '23-'24-'25, President W. A.A. '24-'25, Tech Club '26-'27.

I live on the sunny side of the street.

ANNIE GRACE WIGGERS - - - - - - - - - - Fort Necessity

B. S. in Home Economics

L. S. C. Club, Y. W. C. A. '24-'25-'26, Home Economics Club, W. S. A. '26, House Association, Lagniappe Staff '27.

Not by years but by disposition is wisdom acquired.

HUGH VINCENT WHATLEY - - - - - - - - - White Sulphur Springs

B. S. in Engineering

Theta Kappa Nu.

Y. M. C. A., Football '22-'23-'24.

Flow booze, smile women, and the universe is consoled.

HAZEL WILLIAMS - - - - Ruston

B. A. in Education

Silence more musical than any song.

HENRY WILSON - - - - Ruston

B. S. in Engineering

Alpha Lambda Tau.

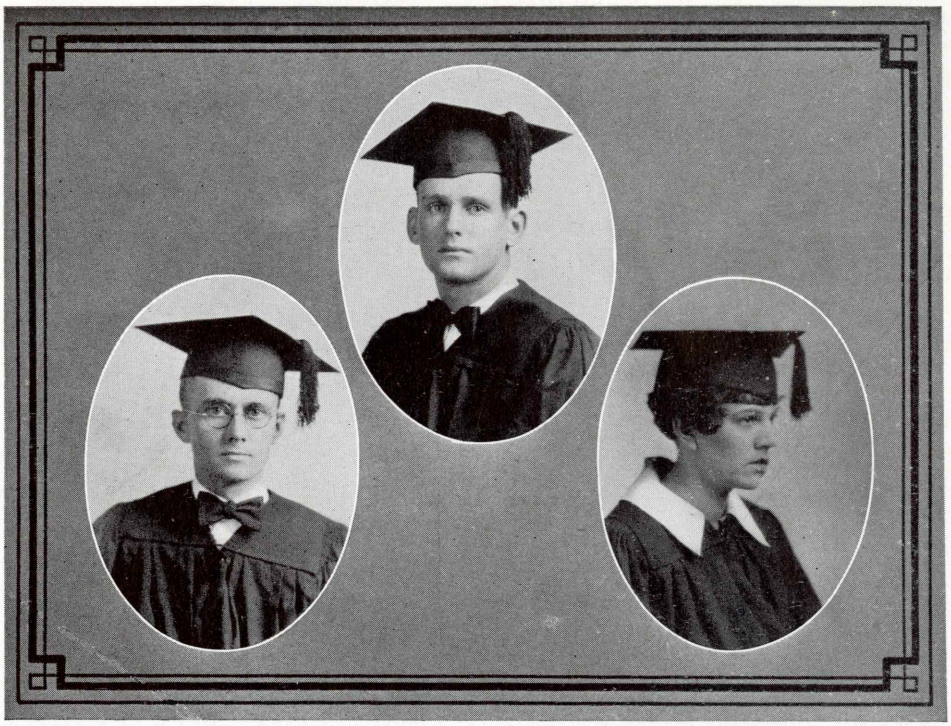

Orchestra '25-'26, President Sophomore Class '25.

I dare do all that may become a man.

ONA MAE WILLIAMSON - Ruston

B. S. in Home Economics

"Give to the world the best that you have and the best will come back to you."

GRAY WINN - - - - - Haynesville

B. A. in Commerce

Y. M. C. A. '23-'24-'25-'26, Lagniappe Staff '27.

His heart as far from fraud as heaven from earth.

MARY AMELIA BREWER - Arcadia

B. A. in Arts and Sciences

Every woman is a volume if you know how to read her.

DAYTON A. WISE - - - Bienville

B. A. in Commerce

Y. M. C. A. '23-'24-'25-'26, Baseball '25.

Let every eye negotiate for itself and trust no agent.

ESTHER CHEATWOOD - - Ruston

B. S. in Home Economics

Beauty is truth, truth beauty.

ETHEL HARRIS TAYLOR - Ruston

B. S. in Home Economics

Sentiment is the poetry of the imagination.

E. A. WORKS - - - - - - Ruston

B. A. in Education

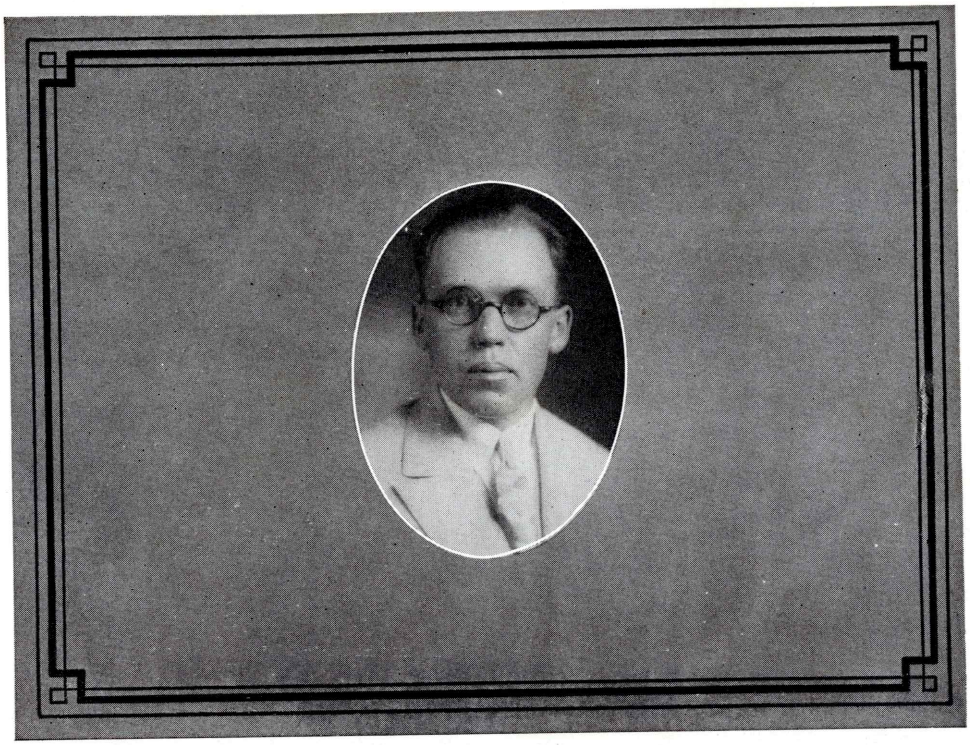

Better be ignorant of a matter than half know it.

LEO BECKHAM - - - - Ruston
B. S. in Home Economics
There is no wisdom like frankness.

THOMAS B. WHITE - - - Ruston
B. A. in Education
Treat your friend as if he might become an enemy.

LILLIAN HAMMONDS - - Ruston
B. S. in Home Economics
They say that hope is happiness.

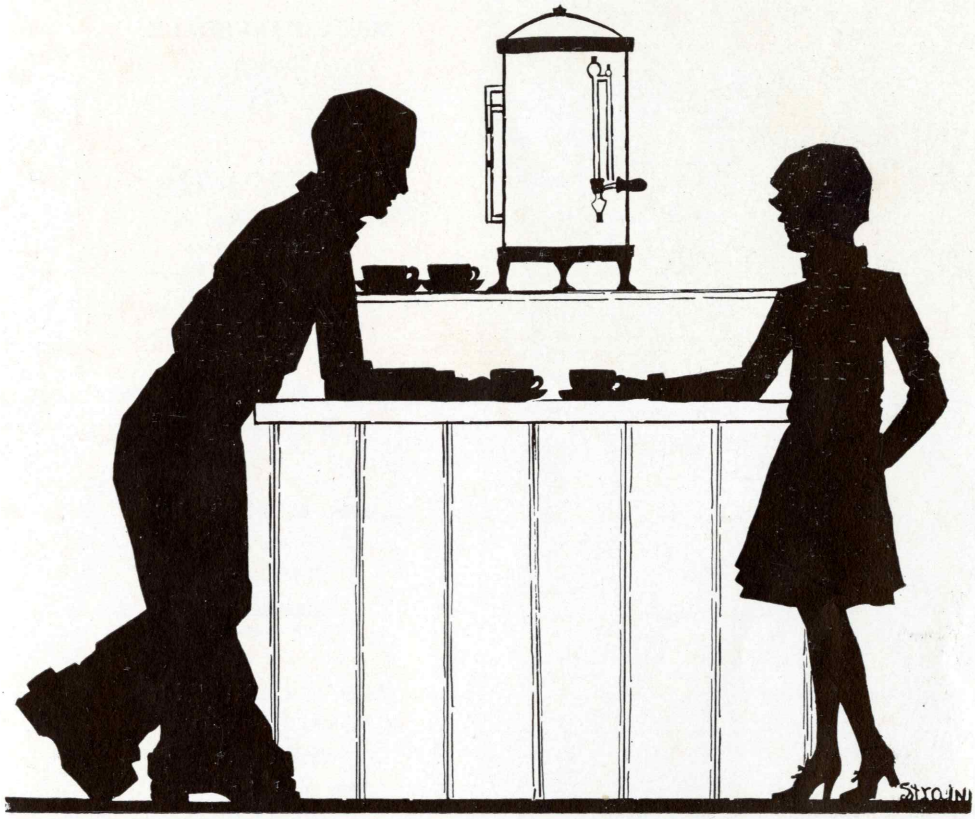

H. P. MELTON - - - - - Lisbon

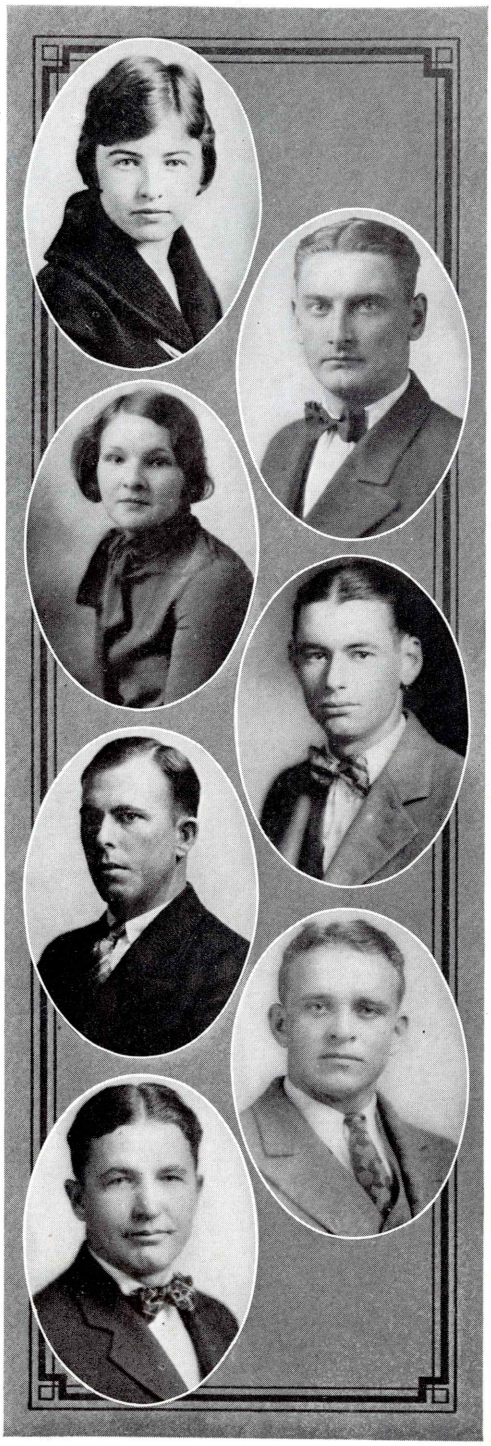

B. S. in Education

The secret of success is constancy to purpose.

HOUSE ASSOCIATION

The House Association of the Girls' Dormitory was organized at the beginning of the fall quarter for the purpose of creating a spirit of friendly cooperation, establishing high standards of personal conduct, and planning and carrying a constructive social program. The social committee, in spite of the handicap of inadequate parlors, has planned several enjoyable social affairs.

It is hoped that through the association the girls will gradually become a self-governing group. A trial proctor system is now functioning as a means of determining whether it is desirable and what problems are involved. Genuine interest and splendid cooperation have caused rapid progress. The Dean of Women and House Directors feel confident that the privilege and responsibility of making and carrying out regulations governing life in the dormitory may be given to the girls next year.

WOMEN STUDENTS' ASSOCIATION

The Women Students' Association of Louisiana Polytechnic Institute was organized in the fall term of 1926. Its membership is inclusive, for upon registration in the college every girl automatically becomes a member. The aims are necessarily broad and the program comprehensive. It was created as a means of overcoming the lack of spirit of unity between dormitory and town students. By developing common interests and creating larger loyalties, it attempts to bring them into closer association.

Through constructive work for the improvement of the college, it has attempted to justify its existence. Two projects have been undertaken thus far: The first, the making of an attractive rest room; the second, the creating of a student loan fund.

T. CLUB

Standing—Miss Edna Arnold, director; Hazel Sanders, Daisy Bell, Opal Milton, Lois Kelly, Mary Scheen, Gretchen Weydert, Margaret Flournoy.

Seated—Opelia Mounger, Sula Cowser, Bonnie Attaway, Mattie Sentell.

卐 卐 卐

The T Club was organized in the spring of '26 by Miss Edna Arnold and the members of the Woman's Athletic Association who had been awarded Tech sweaters by the association. These girls are one hundred per cent athletes, have made the varsity teams, and have filled all the requirements necessary to receive the coveted Tech sweaters. They have not stopped with the sweater, but are now working for the highest honor of this association, which is a Tech blanket.

Members not pictured—Ellen Peevy, Sylvia Watson, Flossie Martin, Nellie Edgar.

THE HOME ECONOMICS CLUB

MEMBERSHIP in the Home Economics Club is open to all Home Economics students. Such an organization is found to be very worthwhile, in that it offers an opportunity for a general gathering of the students with the Home Economics teaching staff in a social and fraternal way.

There is much of general interest to all Home Economics students and teachers that cannot be covered in class work which may be considered in such a club. All the most recent achievements in the scientific or industrial world which concern any phase of home life are of common interest to all Home Economists.

This club affiliates with both the Louisiana Home Economics Association and the American Home Economic Association, and through these organizations may keep abreast of the times in all new ideas in our particular field—which is becoming infinitely broad, in that most of the work of the world is involved in the four principal fields of Home Economic activity—food, clothing, shelter, and home administration.

Through the meeting of the club all classes participate in programs and other activities which tend to unify the department and to create a stronger department spirit. Freshmen and Seniors are on common level. Class lines are wiped out and all are united for the development of the Home Economic school and "the glory of Tech."

The social hour of the meeting is not only a pleasant feature to all the members, but affords opportunity to each group in turn to assume the responsibilities of hostesses, thus giving experience which will be of value in our own homes.

The club is proud of the successful alumni members from the Home Economics department in the various fields for which they are trained. Some are dietitians, some public demonstrators, but many more are successful home makers or home economics teachers. We are especially proud of our State Supervisors of Home Economics, Misses Clyde Mobley and Dorothy Kidd, who received their first diplomas from our Home Economics school and who we claim as our honorary members. This club aims to keep in touch as far as possible with our alumni and to profit from their experience.

What is the purpose of the Young Women's Christian Association?

1. To lead students to faith in God through Jesus Christ.
2. To lead them to membership and service in the Christian Church.
3. To promote their growth in Christian faith and Character, especially through study of the Bible.
4. To influence them to devote themselves in united effort with all Christians in making the will of Christ effective in human society, and extending the Kingdom of God throughout the world.

ATHLETICS

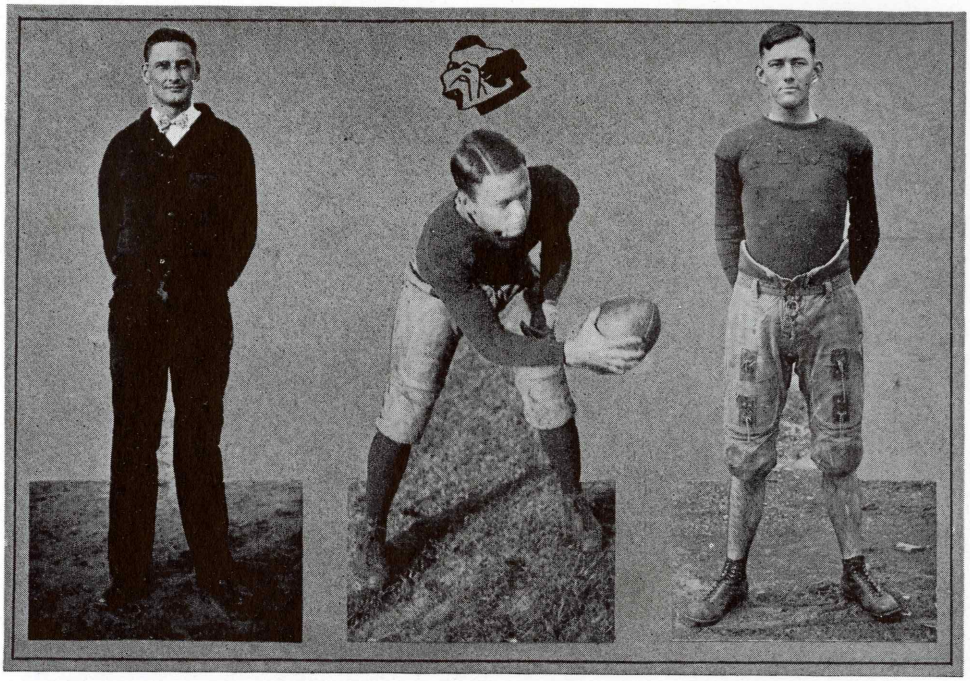

BOOK V

1927

CAPTAIN GEORGE BLUE HOGG

BAGWELL, Trainer HAIR, Quarterback COLE, Guard

FOOTBALL

THE FOOTBALL SEASON OF 1926 was successfully waged by a well-instructed machine. H. E. ("Gob") Wilson, the athletic director, serving his first season at Louisiana Tech, deserves praise for giving Louisiana Tech the first winning football team she has had for a period of three years. His right-hand man, Reginald A. ("Reggie") McFarland, imparted much valuable information to the backfield men.

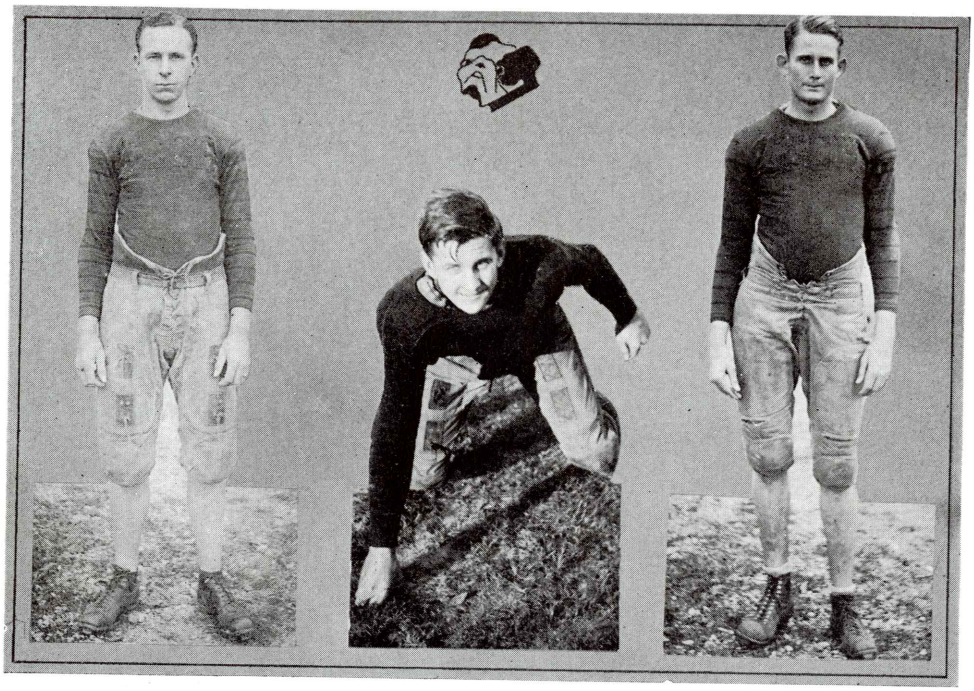

Besides winning five games and losing but two, the Bulldogs were second in the race for the S. I. A. A. championship with three wins and but one loss, having been defeated only by Centenary, the winners of the title, in a hectic gridiron battle on Armistice Day.

Both the moral and morale of the Tech team were of the highest type. Wherever the Bulldogs went they won the praise of all with whom they came in contact. Their spirit of sportsmanship and gentlemanly behavior was constantly praised.

oOo

LOUISIANA TECH VS. TULANE UNIVERSITY

The Bulldogs found the Tulane Greenies strong and were turned back by a score of 40 to 0. Coach Wilson had hardly become acquainted with his new team ere they were sent against one of the greatest football

McCASLAND, End SLAY, Guard MAY, Tackle

machines in the South. The Techmen were unfamiliar with the system of their new coach and, as a result, the score of their initial battle was one-sided. However, the newspapers of New Orleans, scene of the game, praised the work of Captain Hogg and Quarterback Willis, of the Bulldogs.

oOo

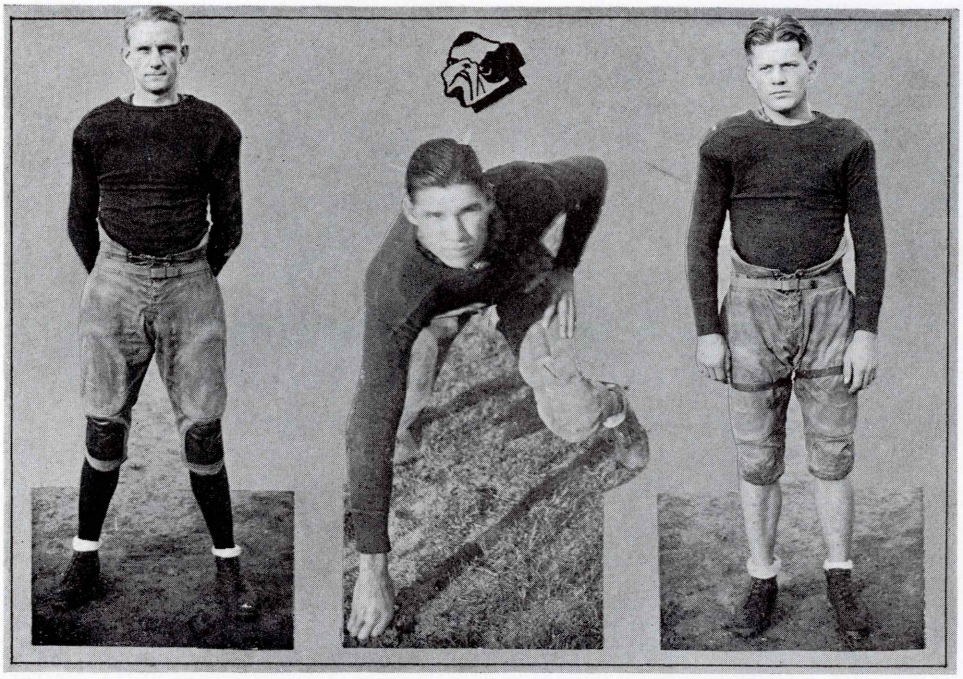

LOUISIANA TECH VS. LOUISIANA NORMAL

The Red and Blue team showed a marked improvement over its form of the first game of the season with Tulane when they downed Normal on Tech field by a score of 28 to 0. Captain Hogg scored three touchdowns for Tech, while Willis added six points with a touchdown. Boss kicked the four goals after touchdowns. Yeldell and Pankey stood out as the defensive stars.

oOo

LOUISIANA TECH VS. MISSISSIPPI COLLEGE

Much interest had been aroused over the Tech-Choctaw football game scheduled for October 9, but the grid fans were sorely disappointed when officials of Mississippi College wired a last-minute cancellation of the game. The Choctaws were later defeated by some of Tech's victims in other tilts.

GALLASPY, End YELDELL, Tackle KIMBELL, Fullback

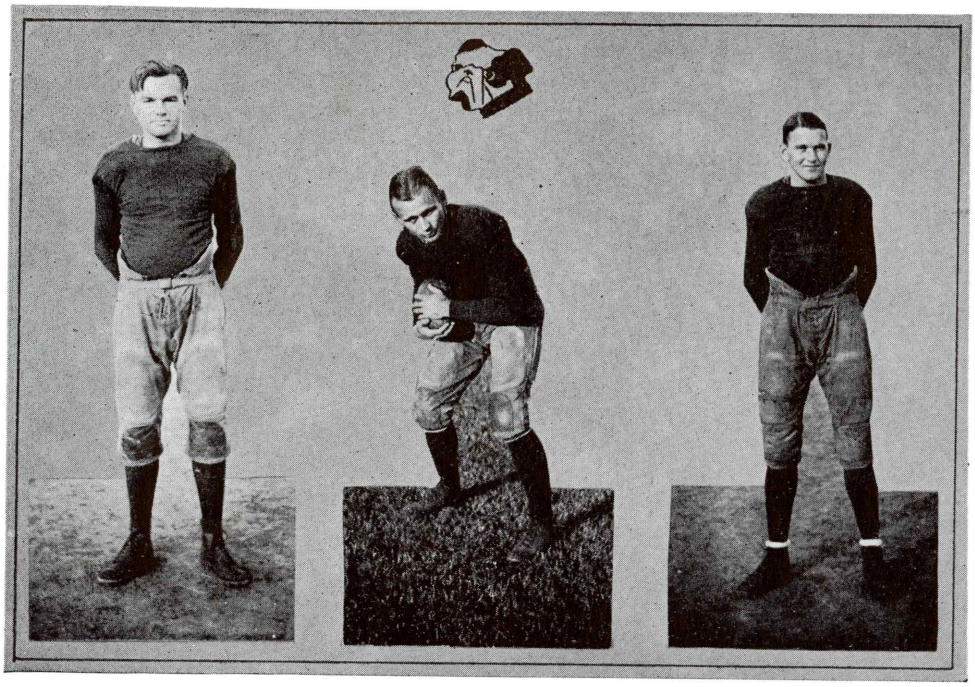

LOUISIANA TECH VS. CLARK COLLEGE

This game, which was played on Tech field during the long home stay, was an easy victory for the Bulldogs. Clark offered little opposition and fell before the mad rushes of the Tech team. The great Hogg tore through their little line time after time and Willis skirted their ends for numerous long gains. A feature of the contest was a forty-yard drop kick from a difficult angle by "Lefty" Boss, who also added three points after touchdown with place-kicks. The score was 36 to 0.

oOo

LOUISIANA TECH VS. TENNESSEE DOCTORS

The grid battle with the Medicos had been scheduled as the feature attraction of an elaborate Homecoming Day program. Faithful Alumni and enthusiastic undergraduates braved a rainstorm to see the Bulldogs battle the University of Tennessee representatives to a standstill and a 0 to 0 score. The game was halted in the second period when the driving rainstorm made play impossible. The Bulldogs carried the fight to their opponents throughout play. Twice the canine lot carried the oval to the five-yard line only to be set back by the severest of penalties. Willis was the star on the offense and Pankey shone on the defense.

LAWRENCE, Halfback RATCLIFF, Halfback L. BOSS, Tackle

LOUISIANA TECH VS. MILLSAPS COLLEGE

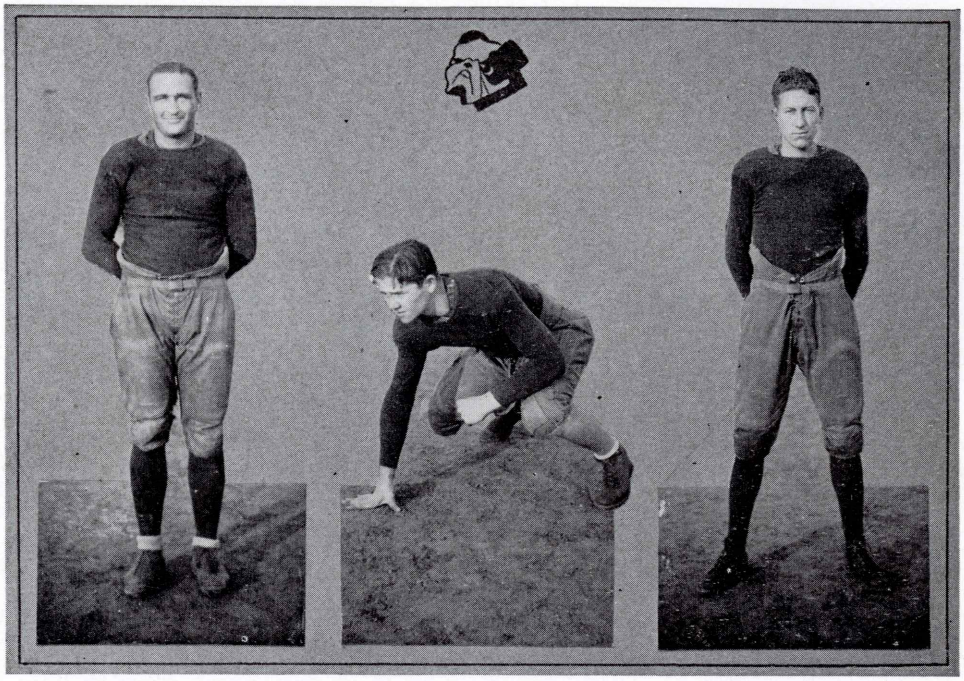

The Tech team wreaked vengeance on the Majors for old defeats with a well-earned 13 to 7 triumph. The score, however, does not indicate Tech's superiority over the Majors, for the Bulldogs scored 11 first downs against three for their Mississippi opponents.

The feature of the game was an eighty-yard run by Pryor for a touchdown. The Majors scored their lone marker in the fourth quarter. After being stopped for three times on Tech's sixteen-yard mark the Majors were given the ball on the one-yard line as a penalty to the Bulldogs. Line bucks failed to carry the ball over, but on the fourth down the Millsaps quarterback pulled a surprise play and shot the oval over the mark for a touchdown.

oOo

LOUISIANA TECH VS. SOUTHWESTERN

By beating the strong Southwestern team 23 to 0 the Techmen showed their true strength. The game was played in Lafayette on the day which had been set aside as the dedication of Southwestern's new stadium and football field. The victory of the Bulldogs came as quite a surprise to Lafayette grid fandom, but it was a decisive win and a revenge for old defeats administered Tech by Southwestern.

HOGG, Fullback SHARMON, Center LECKIE, Quarterback

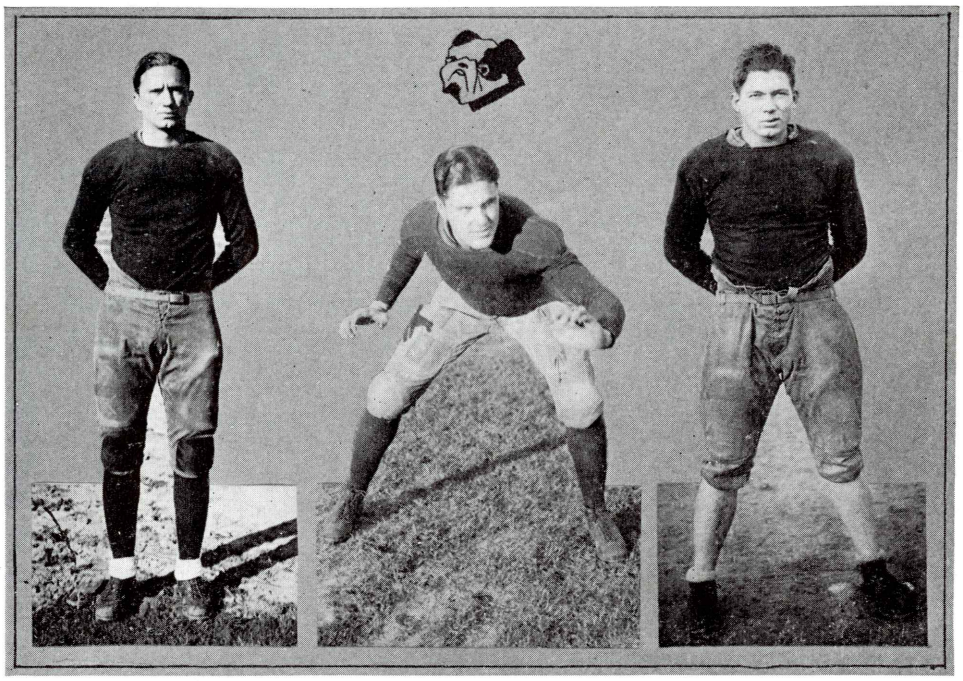

Practically the entire Red and Blue squad saw service. The initial touchdown was scored by Pankey on an intercepted forward pass and a thirty-five-yard sprint to the goal line. Willis scored the second Bulldog marker with a forty-yard run, and Boss intercepted a pass and raced fifty yards for the final touchdown. "Lefty" also kicked a field goal from the side of the field, which gave the Techmen an extra three points.

oOo

LOUISIANA TECH VS. CENTENARY COLLEGE

Armistice day called the Bulldog into action against its ancient rival, the Centenary Gentlemen. A Tech-Centenary event had always been the last word in North Louisiana football classics. A crowd of approximately ten thousand people swarmed the Centenary stadium in Shreveport to witness a bitter struggle between the oldest of rivals and premier teams of the Southern Intercollegiate Athletic Association.

For the first half of the game the Bulldogs carried the fight to the Gents and kept them with their backs to the wall, but the necessary punch seemed to be lacking. The tables were turned early in the third quarter when the Gents carried the ball to the Red and Blue one-yard mark. However, they were held for downs. Tech kicked out of danger and play

PRYOR, End DAVIS, Tackle HARPER, Guard

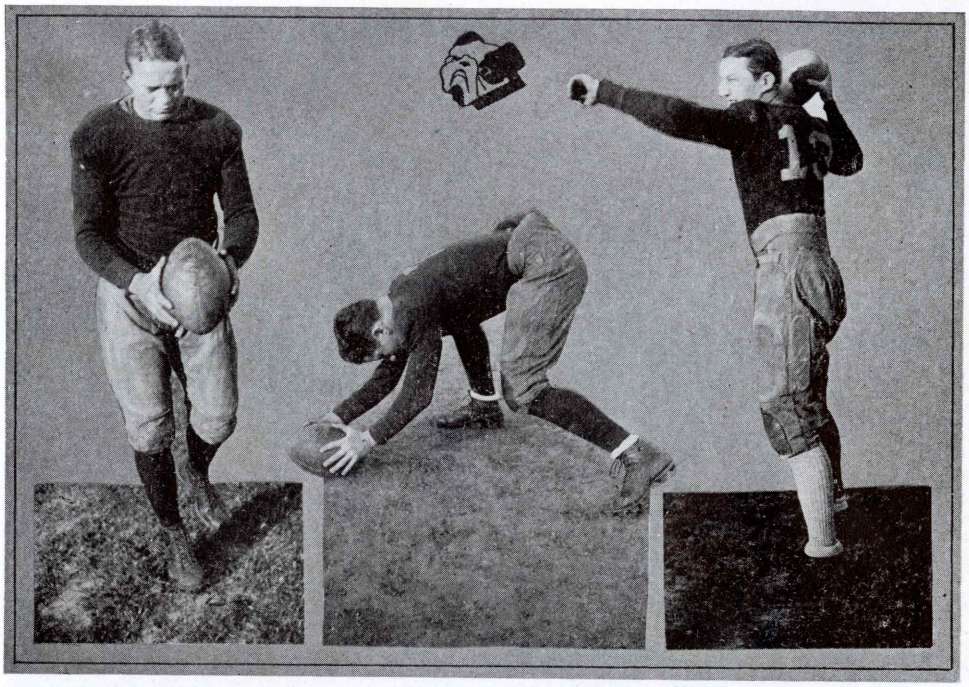

was conducted in midfield until the closing moments of the third period. With the ball on their own forty-five-yard line, the Gents uncovered the bit of strategy that won them the S. I. A. A. football championship. It was a trick play that completely baffled the Bulldogs. While a Gent back was racing fifty-five yards for the lone touchdown of the game, the Bulldogs were looking for the "hidden ball," a gridiron trick as old as football itself. The goal was kicked and the fighting Bulldog was defeated 7 to 0 in the most hectic game ever waged between Tech and Centenary.

oOo

LOUISIANA TECH VS. SAM HOUSTON

The Bulldogs returned to their kennel on November 19 to be tied by a team far below its own standard. Sam Houston made a valiant fight and received a 6 to 6 verdict.

The superiority of Tech over the Sam Houston eleven is shown by the fact that Tech scored fourteen first downs against one for their opponents. The Bulldogs carried the oval to the three-yard line on four occasions, but the punch was either lacking or the breaks of the game went against them.

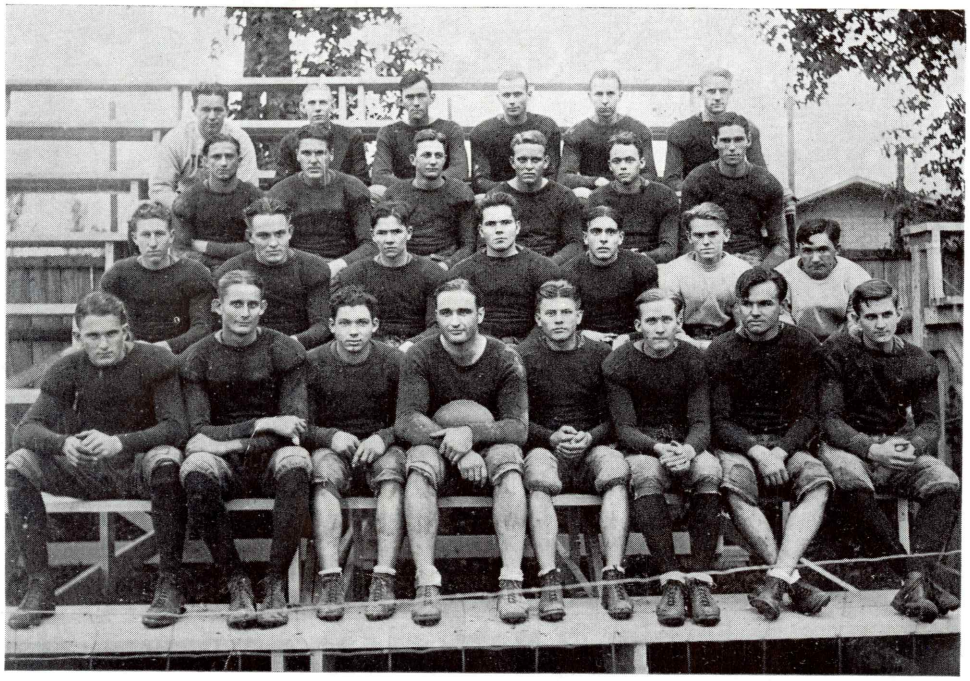

H. BOSS, Halfback PANKEY, Center WILLIS, Quarterback

LOUISIANA TECH VS. LOUISIANA COLLEGE

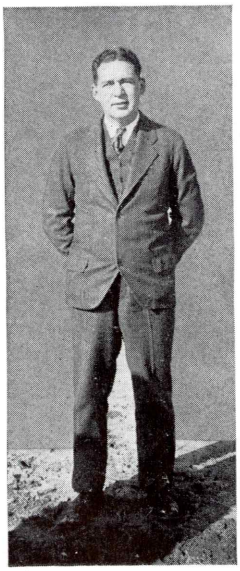

Tech broke a two-year-old scoreless tie by defeating the Wildcats of Louisiana College 28 to 0 on Thanksgiving Day in the final game of the season. The contest was staged on Tech field.

The Wildcats came to Ruston with a highly vaunted passing attack and a fair defense. They had scored on every opponent faced in their previous games, using their passes mostly. However, Tech gave Louisiana College a few pointers on the passing game by completing nine passes out of ten attempted, seven of the heaves being completed in succession. At the same time, the Louisiana College team failed to complete a single pass, and made only three first downs while Tech was plunging the line and dashing off-tackle for twenty-two. Not once did the Wildcats possess the oval in Bulldog territory.

Willis led in scoring for Tech with sixteen points to his credit. He crossed the goal line twice with the oval tucked safely under his arm and added the points after each of the four touchdowns.

FRESHMAN FOOTBALL

The 1926 Freshman Football team was quite a success as freshman teams go. They did not have a startling winning percentage but they did much toward producing the best varsity team that Tech has boasted of in many years. Coach L. J. Fox's charges were called on to furnish the opposition for their older brothers each week during the practice scrimmages and while the treatment which they received at the hands of the Bulldogs left them in poor shape for a number of their own contests they were always willing to come back for more when called upon by Coach Wilson.

Coach L. J. Fox

The Pups were captained by Gale Burnham, plunging fullback, from Homer. Under his leadership and Coach Fox's tutelage they developed a strong defense and offense, and graduated a crop of men who should be battling a number of the lettermen who will return this fall for their regular berths on the varsity.

VARSITY BASKETBALL

THE SEASON

In her second year of competition in basketball Louisiana Tech made a golden record. In all games the Bulldogs won thirteen out of twenty played; in S. I. A. A. competition they won thirteen and lost but five; and in S. I. A. A. games against Louisiana teams they won eight and were defeated but twice. This latter achievement gave them the right to represent Louisiana in the basketball tournament in South Carolina. It also gave them the right to the Louisiana division title of the conference.

After getting off to a depressing start the Tech quintet hit its true stride. The Bulldogs were defeated decisively by Louisiana Normal once and Louisiana College twice ere they were able to register a 30 to 19 victory over Southwestern. This win was followed with another triumph over the same team, the score being 33 to 28.

The Bulldogs then took the Millsaps Majors into camp with an easily registered 45 to 27 victory, but in the second game the Majors surprised the Bulldogs and the canine lot came out on the short end of a 39 to 28 count.

The Mississippi College Choctaws, champions of the S. I. A. A., were then introduced to Tech fandom when the Bulldogs defeated them in both encounters of a two-game set in the Tech gym. The count in the first engagement was close, 29 to 27, but the second straight Bulldog victory

over the Choctaw tribe was decisive, 41 to 33.

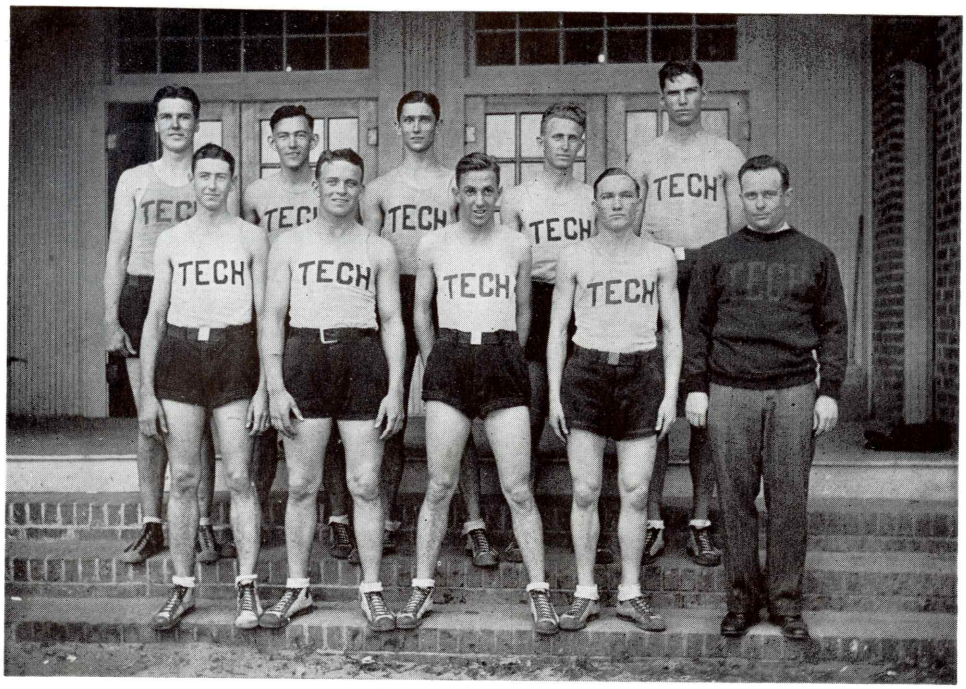

The Bulldogs were then called into action against their ancient rivals, the Centenary Gentlemen, and defeated the Gents in both of a two-game series. In the initial game the Techmen turned in a smothering 43 to 19 win, while in the second tilt they humiliated the Gents by administering a 40 to 12 drubbing.

The Wynn-coached machine then began its second invasion of the camps of the other conference teams, this time going into Mississippi for four games. Mississippi College handed Tech a double beating, winning the first game 42 to 26 and the second by the close count of 36 to 34.

Tech then wound up its second road invasion by registering a clean sweep of two games against the Millsaps Majors. The first win was an easy victory, the count favoring Tech 53 to 23, but the second tilt was close, this time being only 36 to 31.

On their return to Tech gym the Techmen were pitted against the Louisiana College Wildcats, then leading the conference teams of the state. The Wildcats had dropped but one game in Louisiana as compared to two losses for the Bulldogs. To win the S. I. A. A. championship Tech needed a double win over its feline opponents, and the Red and Blue team killed Louisiana College's championship aspirations by administering 29 to 17 and 33 to 31 drubbings to Walden's outfit from Pineville.

FRESHMAN BASKETBALL

The Bullpup basketeers had a great season on the floor, winning nineteen out of twenty games played. The first year men duplicated the feat of the varsity in taking four games in a row from their rivals representing Centenary and also gaining an even break against the Normal Frosh. In addition to these the best high school teams of this section of the state fell victims to Coach L. J. Fox's machine. Among the high school teams defeated were Oak Ridge, Bienville, Summerfield, Monroe, Farmerville, Quitman, Downsville and Ruston.

The usual starting lineup of the Pups consisted of Wise, Guy or Frickie, forwards; Savoy, center; Durbin and Patterson, guards. These men are expected to make their older brothers hustle to hold their places on Tech's state championship S. I. A. A. team when another cage season rolls around.

Coach D. C. Robinson

VARSITY BASEBALL

The team that carried the colors of Louisiana Tech on the baseball field in 1926 was one of which the school and the student body is justly proud. Winning seventeen games and losing but five is a feat accomplished by very few colleges.

The Bulldogs triumphed twelve times in S. I. A. A. competition and were defeated on but three occasions. Although Jack Bagwell was the losing pitcher in three battles, he was considered the ace of the Bulldog hurling corps. Herbert "Cap" Files had the best average in the won and lost column, winning six contests and being defeated in but one start. Harley "Lefty" Boss, who usually performs at first base, also lost but one game.

Bagwell led the squad in hitting. He averaged .423 with the bat. Boss and Ratcliffe pressed Bagwell for the swatting honors.

DeWitt "Peru" Caruthers hit for the circuit six times to carry off honors in the number of home runs.

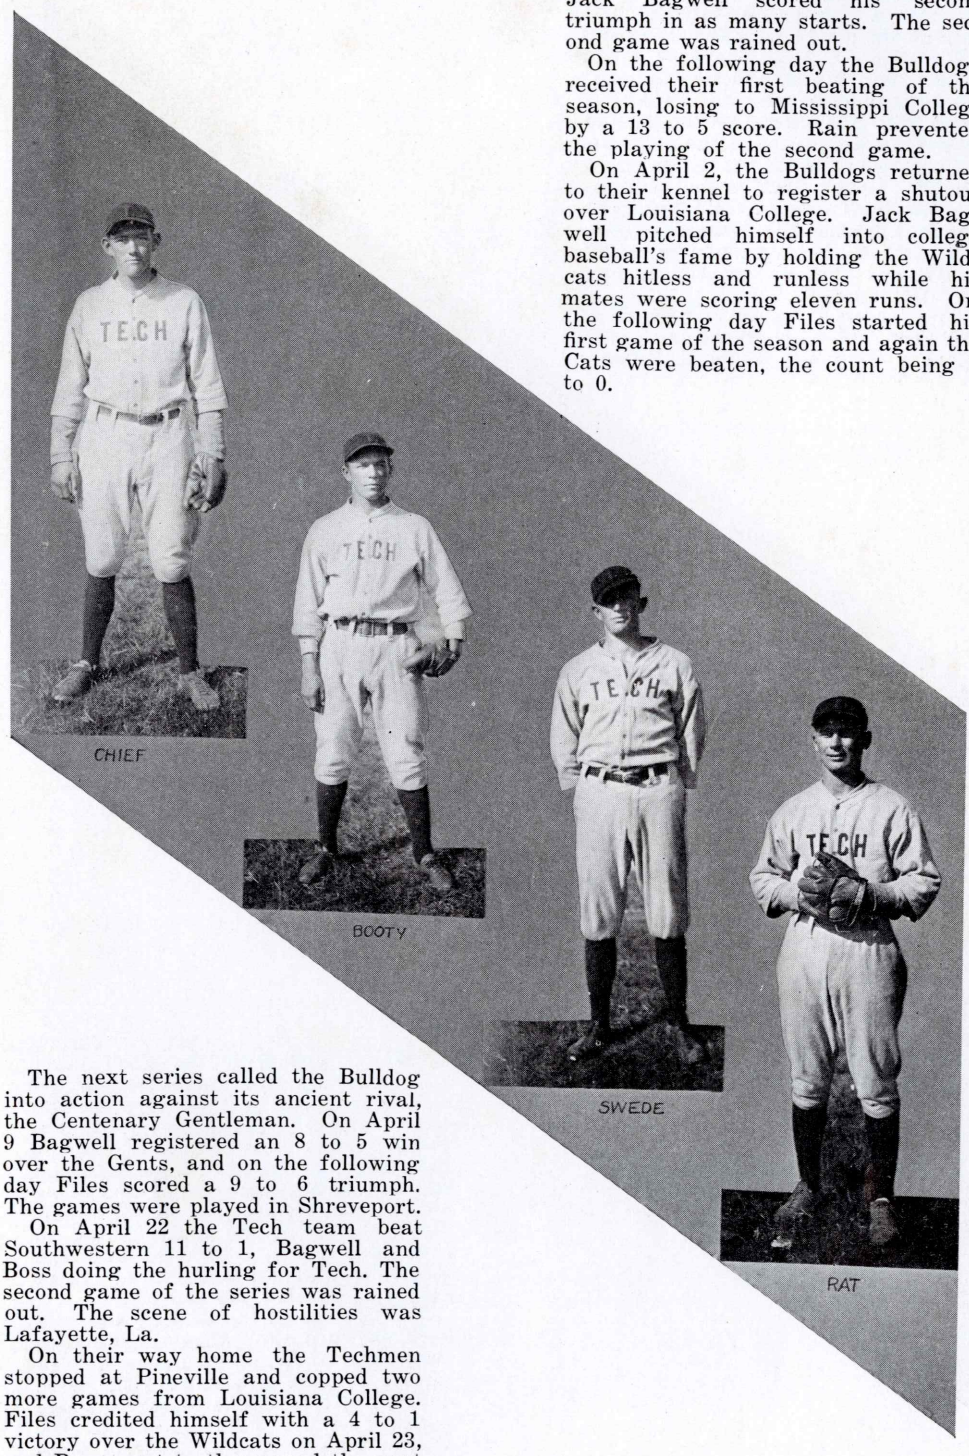

Goodwyne "Honey Boy" Courtney swiped ten sacks in the twenty-three games to become the base-stealing champion of the canine lot.

The season opened on the home lot on March 19, the Techmen defeating Louisiana Normal. While Jack Bagwell was holding the enemy well in hand his mates were pounding the Demons for fifteen hits and a 13 to 1 victory. On the following day the Bulldog infield made errors galore and it was a last-minute rally that enabled "Lefty" Boss and his mates to score an 8 to 7 win over the Demons, sweeping the series.

On March 24, the Techmen rang up another victory when they downed Millsaps by a count of 8 to 3. The game was played in Jackson, and Jack Bagwell scored his second triumph in as many starts. The second game was rained out.

On the following day the Bulldogs received their first beating of the season, losing to Mississippi College by a 13 to 5 score. Rain prevented the playing of the second game.

On April 2, the Bulldogs returned to their kennel to register a shutout over Louisiana College. Jack Bagwell pitched himself into college baseball's fame by holding the Wildcats hitless and runless while his mates were scoring eleven runs. On the following day Files started his first game of the season and again the Cats were beaten, the count being 8 to 0.

The next series called the Bulldog into action against its ancient rival, the Centenary Gentleman. On April 9 Bagwell registered an 8 to 5 win over the Gents, and on the following day Files scored a 9 to 6 triumph. The games were played in Shreveport.

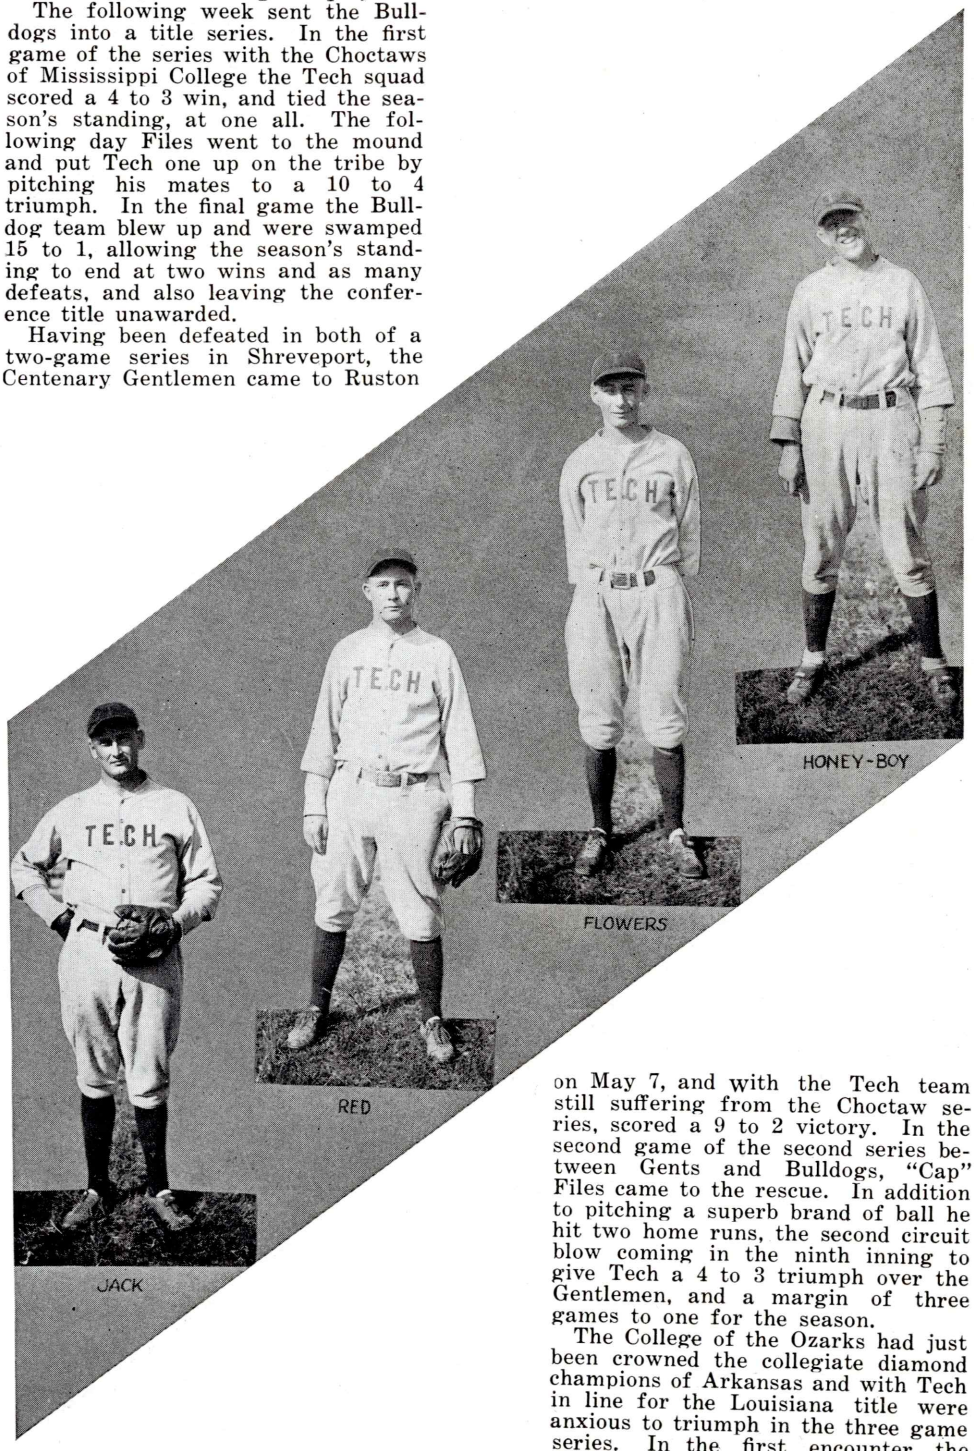

On April 22 the Tech team beat Southwestern 11 to 1, Bagwell and Boss doing the hurling for Tech. The second game of the series was rained out. The scene of hostilities was Lafayette, La.

On their way home the Techmen stopped at Pineville and copped two more games from Louisiana College. Files credited himself with a 4 to 1 victory over the Wildcats on April 23, and Boss went to the mound the next day to beat the enemy 11 to 0. This

game marked the fourth straight that Tech had won from Louisiana College, the Wildcats having scored but one run in thirty-six innings of play.

The following week sent the Bulldogs into a title series. In the first game of the series with the Choctaws of Mississippi College the Tech squad scored a 4 to 3 win, and tied the season's standing, at one all. The following day Files went to the mound and put Tech one up on the tribe by pitching his mates to a 10 to 4 triumph. In the final game the Bulldog team blew up and were swamped 15 to 1, allowing the season's standing to end at two wins and as many defeats, and also leaving the conference title unawarded.

Having been defeated in both of a two-game series in Shreveport, the Centenary Gentlemen came to Ruston

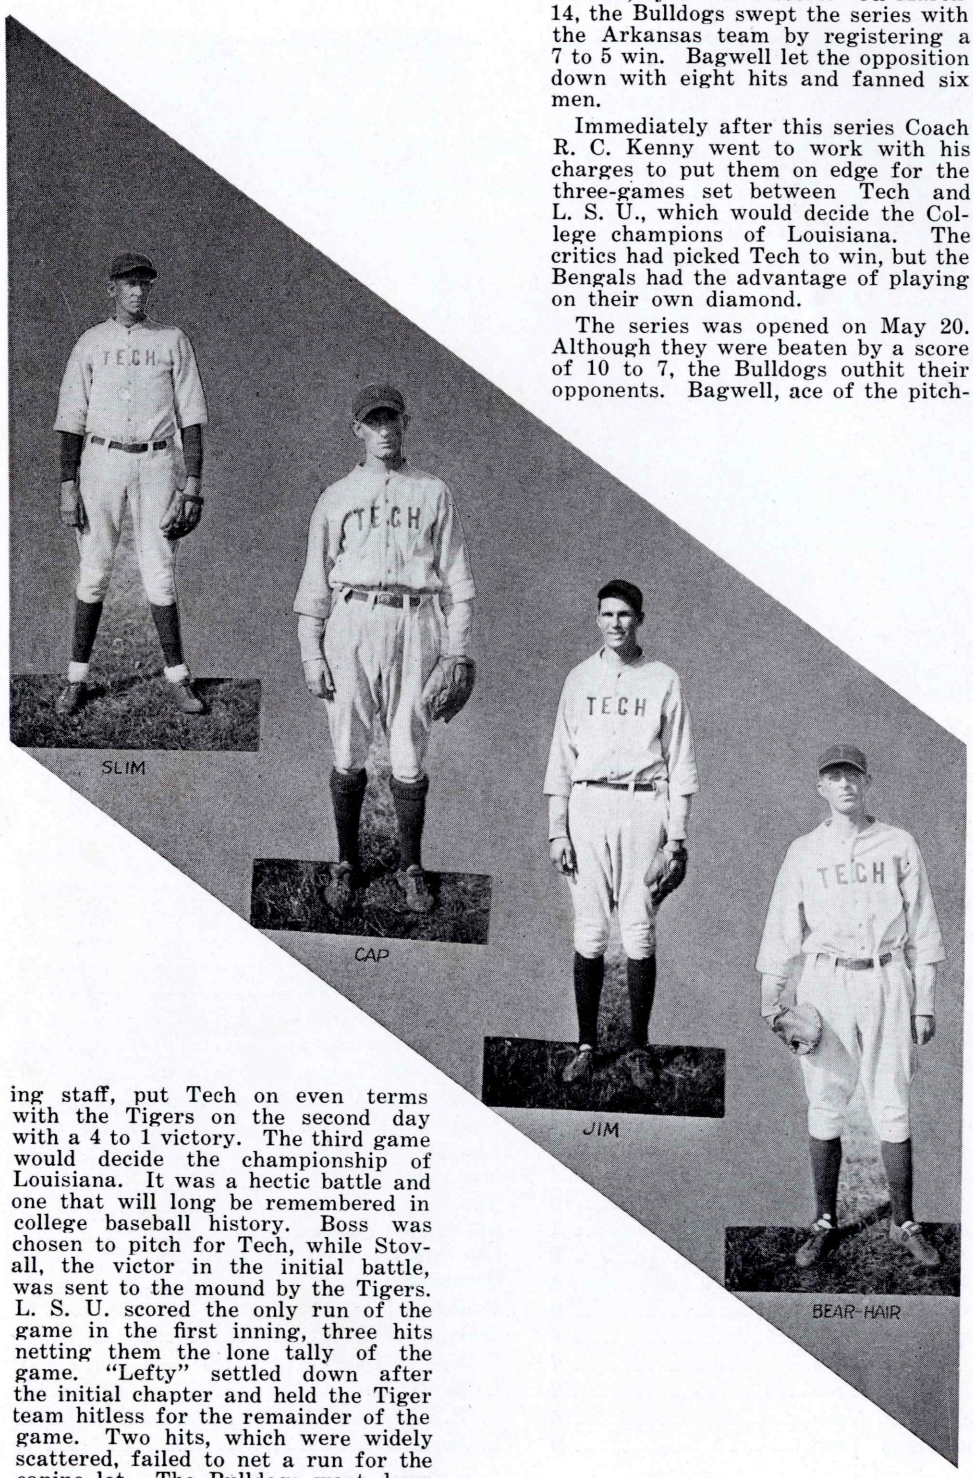

on May 7, and with the Tech team still suffering from the Choctaw series, scored a 9 to 2 victory. In the second game of the second series between Gents and Bulldogs, "Cap" Files came to the rescue. In addition to pitching a superb brand of ball he hit two home runs, the second circuit blow coming in the ninth inning to give Tech a 4 to 3 triumph over the Gentlemen, and a margin of three games to one for the season.

The College of the Ozarks had just been crowned the collegiate diamond champions of Arkansas and with Tech in line for the Louisiana title were anxious to triumph in the three game series. In the first encounter the Ozarks team was repulsed by a score of 10 to 6. On the second day, May

13, Tech won the second straight from the Ozarks team, with Boss in the box, by a 6 to 3 score. On March 14, the Bulldogs swept the series with the Arkansas team by registering a 7 to 5 win. Bagwell let the opposition down with eight hits and fanned six men.

Immediately after this series Coach R. C. Kenny went to work with his charges to put them on edge for the three-games set between Tech and L. S. U., which would decide the College champions of Louisiana. The critics had picked Tech to win, but the Bengals had the advantage of playing on their own diamond.

The series was opened on May 20. Although they were beaten by a score of 10 to 7, the Bulldogs outhit their opponents. Bagwell, ace of the pitching staff, put Tech on even terms with the Tigers on the second day with a 4 to 1 victory. The third game would decide the championship of Louisiana. It was a hectic battle and one that will long be remembered in college baseball history. Boss was chosen to pitch for Tech, while Stovall, the victor in the initial battle, was sent to the mound by the Tigers. L. S. U. scored the only run of the game in the first inning, three hits netting them the lone tally of the game. "Lefty" settled down after the initial chapter and held the Tiger team hitless for the remainder of the game. Two hits, which were widely scattered, failed to net a run for the canine lot. The Bulldogs went down fighting, the bases being loaded when the last man was retired.

LEONARD BROOKS

Heading Tech's trio of Cheer Leaders was Leonard "Snell" Brooks, a man worthy of his position. He was instrumental in the loud "yelling" of the student body throughout the season, but his best work was done during the football season. Although "Snell" was lacking in experience he was full of pep, working continually to encourage the ardent Bulldog supporters when the tide was against the team, and always accomplishing his objective.

ETTA GULLEY

Miss Gulley was one of the best workers that the school has ever had. She was always on hand, giving her best efforts in victory and defeat. Popular with the student body, and with high school experience, she succeeded in bringing forth roaring and deafening applauses from the section to encourage the team on the football field, the basketball floor, and the baseball diamond.

DR. PANKEY

Dr. Pankey has been a faithful servant of Tech for many years as the team physician. He was with the team in every game of the season, and was always ready to respond to calls coming from the field. The fact that Dr. Pankey was always willing to put aside his practice in Monroe to be at all games played by Tech makes his service to the Bulldogs obvious.

GERTRUDE SPAIN

Although Miss Spain was not in school throughout the year, she gave her best efforts in assisting to bring forth "plenty of noise" from the cheering section. Her previous experience, cheerful spirit, and pep all went to make her a good leader at the games.

VARSITY VOLLEY BALL

Standing—Opal Milton, student physical training instructor; Bertie Thornton, Lois Brooks, Clara Lindsey, Loreen Dyson, Mattie Sentell, student physical training director.

Seated—Edith Hollinshead, Ruth Atkins, Grace Walker, Leila Prewitt, Iola Moser.

卐 卐 卐

The varsity volley ball team was selected by Misses Joffrion, Milton, and Sentell, assisted by Leila Prewitt, head of volley ball. The nine best players were selected from all classes of gym and were awarded volley ball emblems by the Women's Athletic Association. Six Freshmen and three Sophomores made the varsity team.

FRESHMAN VOLLEY BALL

Left to Right—Lois Brooks, Clara Lindsey, Vashti McCoy, Grace Walker, Ruth Atkins, Edith Hollinshead, Helen McMurray, Mary Burgess, Elva Morgan, Elsia Turner, Iola Moser, Nancy Johnson.

卐 卐 卐

The Freshman volley ball team was selected from the best players in all gym classes. They proved to be the strongest team in the sport, winning the class championship. Lois Brooks and Edith Hollinshead were selected as the best all-round players on the team.

JUNIOR-SENIOR VOLLEY BALL

Left to Right—Sophia Stone, Gretchen Weydert, Opal Milton, Ruth Thornton, Margaret Flournoy, Tinye Spencer, Sula Cowser, Genie Mae Parker, Mattie Sentell.

卐 卐 卐

The Juniors and Seniors had a combined team as they were not required to take gym, and there were only a few of them. This team was not as strong as the Freshmen and Sophomores, but they gave these teams strong competition.

SOPHOMORE VOLLEY BALL

Left to Right—Flora B. Smith, Edith Smith, Sallie Martin, Dora Broadway, Bertie Thornton, Loreen Dyson (captain), Edna Miles, Alma Johnson, Ardelle Hogue, Myrtle Jones, Leila Prewitt.

卐 卐 卐

The Sophomore volley ball team won second place in class teams, but they, like the Junior-Senior team, suffered defeat by the Freshmen team. Three Sophomores, Loreen Dyson, Bertie Thornton and Leila Prewitt, made the varsity team.

TRACK SQUAD

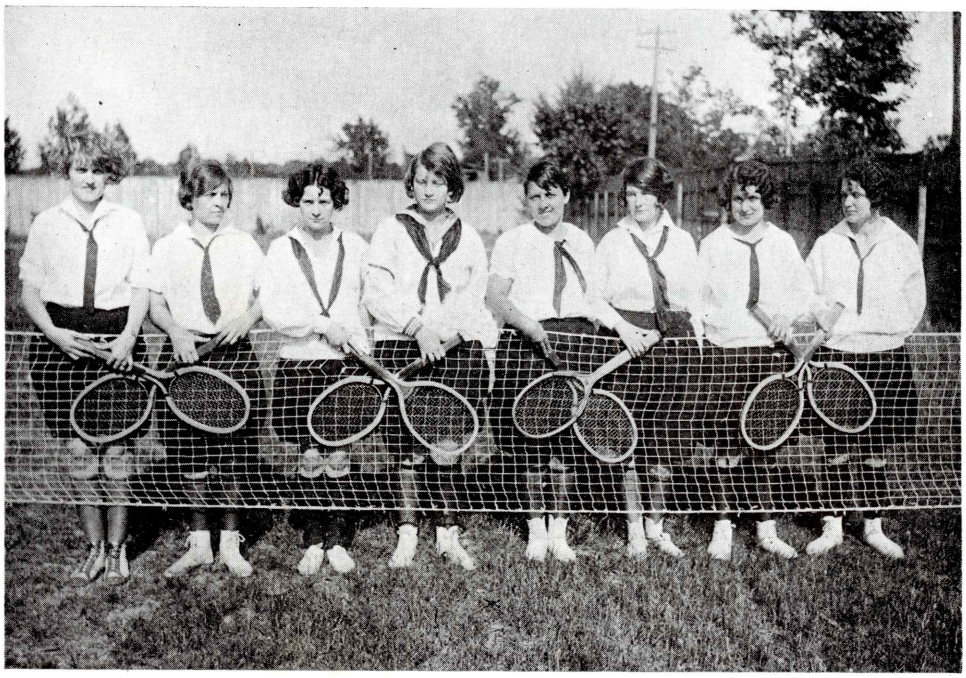

Top Row—Frances Keeth, Elizabeth Davidson, Opal Milton, Oleen Madden, Mamie Jackson, Leila Prewitt, Miss Edna Arnold, physical training director.

Second Row—Loreen Dyson, Mattie Sentell, Bertha Sessums, Bonnie Attaway, Hazel Oden.

Third Row—Mabel Taylor, Bertie Sessums, Hazel Sanders, Maxie McLendon, Genie Mae Parker.

卐 卐 卐

The track squad was coached by Miss Edna Arnold. To make the squad the individual had to enter at least three events. Bertie Sessums with 14 points was high scorer, and Hazel Sanders second with 12 points. The meet was the best that has ever been held at Tech. The Women's Athletic Association is a member of the National Track Association and each year a telegraphic track meet is held at each school. Last year the Tech squad won second place in the United States.

TENNIS

Left to Right—Mary Grey Burks, Leila Prewitt, Mattie Sentell, Margaret Flournoy, Sidney Wright, Mattie Bowden, Bertie Sessums, Bertha Sessums.

卐 卐 卐

The tennis teams were divided into three groups according to the strength of the teams. The winning teams from these groups played in the semi-finals and the winners in the semi-finals played in the finals. Mattie Bowden and Sidney Wright won the doubles from Bertie and Bertha Sessums, and Sidney Wright defeated Margaret Flournoy in the singles.

MISS SADIE MAE JOFFRION

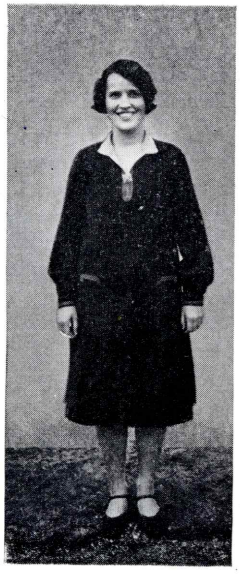

Miss Sadie Mae Joffrion, head of the department of physical education for women, is a graduate of Sophie Newcomb College and has had special training at Sargent School at Cambridge, Massachusetts.

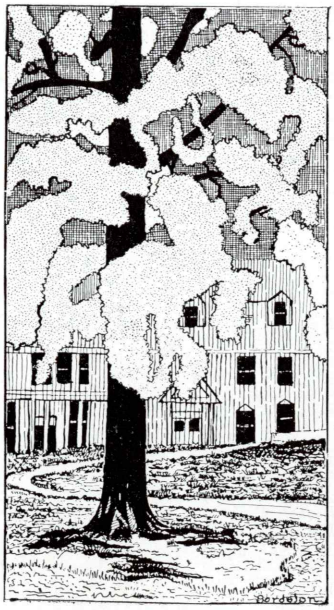

She is also assistant in the science department, faculty advisor for the Women's Athletic Association of Tech, and state chairman of girls' basketball for Louisiana.

Miss Joffrion is an able leader, and an excellent coach in all sports. Her personal charm and personality have made her a favorite with both faculty and students.

MISS ODETTE ALLEY

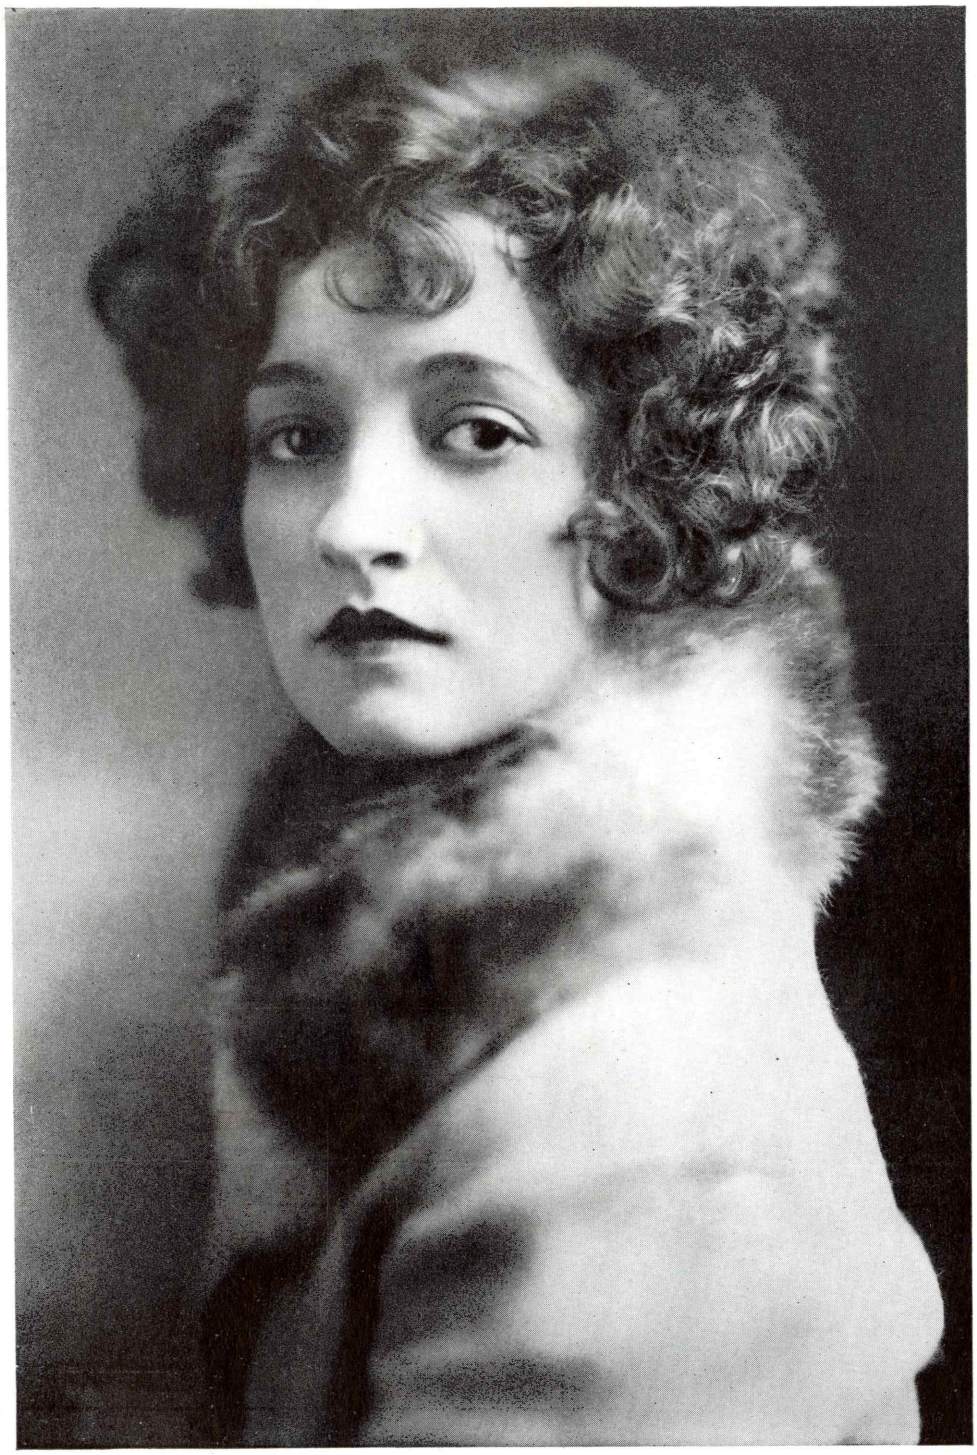

Miss Odette Alley, who is first assistant in physical training for women, attended Mississippi State College for Women for part of a year, and finished her course at Louisiana State University. While there she qualified for Kappa Delta Sorority and for Theta Sigma Sigma, a journalistic sorority. For three years she was chosen cheer leader and in her senior year was a representative on the student council. Her accomplishments do not half describe her, for it is her splendid personality and her invincible smile that have made her beloved among the students.

The Wholesome
BAKING POWDER

Is your bake day a pleasure or an anxiety? *Rumford* makes bake days an unqualified delight to thousands of successful, happy housewives, because *Rumford* results in *real baking perfection.*

Pure in quality, of uniform leavening strength and sure dependability, *Rumford* raises the food just right, bringing out the rich delicious flavor of the materials used.

Rumford-raised foods are always light, moist, fine-grained, easy to digest. In efficiency, wholesomeness and economy, *Rumford* has led for over a quarter of a century.

FREE—Let us send you, free, a copy of our helpful cook book: *"The Rumford Modern Methods of Cooking."*

WHY LIVE IN RUSTON?

BECAUSE—

EDUCATION: A child can enter the first grade in primary school and go through to a college degree.

HEALTH: Located in the uplands of Louisiana with water 99% pure, assures health, the greatest of all treasures.

CHURCHES: A church-going town with all the principal Protestant denominations, with arrangements being perfected to enlarge their facilities.

HIGHWAYS: Junction Pershing Highway, north and south, and Dixie Overland, east and west, together with two large systems of railways, make it the logical gateway to all North Louisiana.

RESOURCES: Good citizenship, dairying, agriculture, poultry, schools and unexcelled opportunities for development—these we place first.

"The Store that Appreciates Your Business"

Louisiana Polytechnic Institute

(The North Louisiana State Supported College)

—Offers students the reorganized curricula, adopted by the State Board of Education of Louisiana, embodying courses in Arts, Commerce, Education, Engineering, Home Economics, Music and Art.

SUMMER SESSION 1927

First Term, June 2-July 13

Second Term, July 14-August 27

—The physical plant, to which a new library building and more space for the Teacher-Training building is being added, already comprises fourteen buildings, including laboratories, shops, ample and well equipped dormitories and gymnasia for men and women students. Numerous improvements to this plant have recently been made, and more are now under way.

—The Tech campus contains 130 acres of undulating ground, beautifully adorned by majestic and stately trees comprising every variety that grows in Louisiana. The location, in the North Louisiana hill country, is ideal from the standpoints of beauty, climate, and health.

Established in Ruston in 1899

1902- -1927

It is with a great deal of pride that we think back through the quarter of a century that has passed since the founding of our business and remember that so many of the graduates of Louisiana Polytechnic Institute have crontributed in a large measure to our own success. Tech's graduates are numbered by the hundreds throughout this fair land of ours—they are all proud of Tech and Tech is proud of her sons and daughters. We like to feel that the young men who came to us as graduates of Tech got something from us that enabled them to establish for themselves successful places in the business world.

All glory and Honor to Tech. May her sons and daughters encompass the earth, but no matter to what heights they climb, may Tech ever be "dear Alma Mater."
